### Will the Pastor Take an Interest?

#### What Better Deed Can Anyone Do Than To Take Subscriptions For Your Own Church Paper?

F. J. Lee

We are in receipt of a letter from Sister Rosa B. Murphy, making an appeal in behalf of the Evangel. Here are a few statements found in her very valuable letter:

"So many are writing and urging greater vigilance along all lines, which is right, but I feel that we should make an extra effort for the Evangel. It is seldom mentioned at church or any other service.

"Could we not get each pastor to appoint a special, good, live agent in every church? I have often mentioned this, and the answer would be, 'Will the pastors take an interest?' 'The pastor is too busy for this,' they say.

"I am sure we should have a special agent who can keep up subscriptions, renewals,

Sometimes we start, and they say, 'Brother and Sister So and So are taking subscriptions'; then we come to find out no one is at work.

"The Evangel is just wonderful, just now I am reading my last issue with tears streaming, and praising God for all the good soul food in it.

"I think it should be in every home, church and anywhere else.

"It surely blesses our souls as we read.

"ROSA B. MURPHY." The above letter speaks my sentiment completely. I will ask the same question as asked by Sister Murphy, "Will the pastors take an interest?"

I am sure the pastor wants to do all the good he can in every way he can. What could be better than his members than that each one is a reader of the Evangel?

What better deed can anyone do than to take subscriptions for your own church paper? How can you cause others to become interested in holiness and God's church quicker than to place the teachings right before their eyes through the Church of God paper?

How could you expect a membership of thousands to keep in touch with each other and enjoy each other's fellowship if we didn't have a church paper? How could the church work be carried on successfully, since it has come to such a great volume if we had no church paper?

It must! It must go!! The thought of slacking our interest in this great cause, which I'm sure stands out more prominent than any other part of our work cannot be entertained in the least. Yet the most effective way of retaining this interest is through the pastor. If he fails to boost the Evangel and loses interest, his members will also lose interest.

Now let me suggest right here, in line with Sister Murphy's letter that every pastor appoint an agent within his church to act as a special solicitor for subscriptions to the paper and to sell books, tracts

### Looking Forward To A Prosperous Year

MANATEE, Fla.—After the Assembly, wife and I started to Florida to take charge of the work at Manatee and Cortez. We felt happy for two reasons, first, because we were coming back home and second because we had many precious friends and acquaintances here.

We arrived in Manatee Nov. 14, and have been holding services three times a week and visiting between times. The power has been falling in a wonderful way. Two have been saved, and sanctified and two received the Holy Ghost.

The interest is increasing all the time. We have a building 30x40 ft., and last night it would not nearly accommodate the people. We are looking forward to a prosperous year for both Manatee and Cortez churches.—H. B. Simmons and wife.

### A New Church To Be Set In Order

TOWNSEND, Tenn.—I have just closed a meeting at Rugby, Tenn., with great victory. The enemy was made to wonder and say, "who is this?" while the Word was expounded. Many hungry souls made their way to the altar and three went thru to sanctification, ten paid the full price and received the Holy Ghost for which we give God the praise and glory. Many gainsayers were stopped with the Word of God. One of the number who received the Holy Ghost was the Sunday school teacher of the Baptist church. The preacher was in the altar praying for the Holy Ghost and said he was going to quit preaching until he received the Holy Ghost. All who read this pray for that place, they want a church set in order there.—Annie Luidsey.

### A REVIVAL IN VIRGINIA. 5 RECEIVED HOLY GHOST

FOX, Va.—A revival has just closed at this place, which convened 12 days. It was conducted by Brothers Newman and Hash. Three were saved, four sanctified and five received the Holy Ghost. The Lord's Supper and feet washing were observed Sunday night. Pray for me.—Mrs. Mack Phipps.

### LOOKING THIS WAY

JOHNSON CITY, Ill.—Bro. Ed. Johnson, our district overseer and Bro. George Bailey, our pastor held a week's meeting here and the Lord blessed wonderfully. Nineteen testified of being saved, nine sanctified and six received the Holy Ghost. The people are truly encouraged to press on and many are looking this way.—C. W. Arrowood.

and other literature and merchandise for the Church of God Publishing House. I'm sure this can be made a profitable business to the right party.

Let the appointed agent correspond with Brother J. S. Llewellyn, Editor and Publisher and he will make terms to the agent recommended by the pastor.

Let us begin at the first of the year to make 1925 the greatest in the history of the Church of God in every way.

## BETTER STILL

### Brother Llewellyn Better

Brother Llewellyn has been confined to his room for a few days on account of sickness, perhaps the "flu"; he is rapidly improving and will doubtless, soon be able to resume his duties at the office again.

While he has been away we have endeavored to look after some of his correspondence, yet there are several letters that we have left for him to answer as they were more of a personal nature.

I want to make mention right here that many letters have been received, being expressions of the different writers of how that Brother Llewellyn has been so very prompt in his business dealings with them, they express that it is a real pleasure to do business with the Church of God, through him.

I believe I will give a few excerpts from a letter received from a great paper concern:

"Gentlemen:

"As we look over the year 1924, we are moved to a deeper, more sincere appreciation of our friends.

"The business which you have entrusted to us during the past year has not only contributed to our financial success, but thru its contacts has established a genuine feeling of personal friendship between the members of your organization and ours.

"May we then at this Christmas season, express our appreciation not only for your business, but for this personal friendship which we try to deserve.

"Cordially yours,

"THE WHITAKER PAPER COMPANY (Cin.)

"H. D. Whitaker, Vice-president."

Here is one from the treasurer of this same concern:

"Gentlemen:

"Your account has been a most satisfactory one on our books under the management of Mr. Llewellyn, who has not only taken care of the current account, but paid up an extensive balance which had accumulated at the time he took the management, and we believe that you are entitled to every consideration that we can consistently give.

"We remember very well when your Mr. Llewellyn took charge his advising us that he was going to pay his bills promptly, and we gave no complaint of his performance.

"Yours truly,

"R. B. BURCH, Treasurer."

Now dear co-workers and brethren of the Church of God, do we not appreciate the confidence the great paper concerns and other companies as well, have in the Church of God and her officials.

It is true that times are hard as all know, but this one thing we are very glad to announce to you that, through Brother Llewellyn's management of the office and its financial side, he has been able to pay all current bills, and many old standing accounts, he has been able to pay the bills every Saturday, which they have learned to greatly appreciate.

Who could doubt that God is setting His approval on the present management?

I for one as General Overseer do not hesitate to say, "God is in it, helping in a marvelous way." Amen.

F. J. LEE.

### Revival In Maryland

FRUITLAND, Md.—We closed a two weeks' meeting here Dec. 1. Bro. and Sister Bloomingdale from Georgia and Bro. Paul Walker and wife from North Dakota were with us. God blessed them in giving out the Word. In spite of the weather we certainly had a good meeting. Eternity only will reveal the good that was done. Four were saved, four sanctified, two received the Holy Ghost and ten were added to the church.—H. W. Potent, overseer of Maryland.

### DESIRES TO DO HIS WILL

CANTON, Ga.—I want to sound a note of praise to my blessed Redeemer for what He is to me, through the Evangel. I love the Lord and want to ever be found doing His will at all times. There are no Church of God people here and I have a hard time keeping encouraged enough to stay where God wants me. I ask your prayers that God will supply my need. I am a widow and am in a very close place at present, so please pray that my needs may be supplied.—Mrs. Linda Steefle.

### A Great Year For The Church of God

HUNTINGTON, W. Va.—We have just closed a three weeks' meeting here at Huntington, W. Va. The Lord surely was with us in a wonderful way. The church was built up spiritually. Bro. W. M. Rumler did most of the preaching. There were three saved, four sanctified and five received the Holy Ghost, according to Acts 2:4 and three were added to the church.

I believe this is going to be a great year for the Church of God, let us put our shoulders to the wheel and push it on.—F. W. Rollins.

### Could Not Walk for Three Weeks.

LEXA, Ark.—I want to praise God for healing my foot. I could not walk for three weeks. I sent a handkerchief to the prayer room in Cleveland, Tenn., and when I received it I laid it on my foot and have been walking ever since.

Pray for me that if it is God's will that a way will be opened for me to get out in the work.—Mrs. S. S. Monroe.

### Marvelous Healing At the Assembly

DAYTON, Tenn.—I want to praise the Lord this afternoon for His mighty healing power. I promised the Lord if He would heal me I would testify to it through the Evangel, and thank the Lord I'm able to pay my vow now. I went to the Assembly and got Bro. L. G. Rouse to pray for me, I was instantly healed, also my daughter had something like a cancer on her limb and God healed that too. Praise the Lord for all that He has ever done for me in the past. We know that He performed these miracles while here on earth and He said He changed not, so I am glad that He can still heal and will in spite of the opposition of human kind.

I have had the Holy Ghost seven years and haven't taken any medicine yet, nor give my children any. Dear reader if you have never learned to trust the Lord with your body just put your body on the altar as a living sacrifice.—Mrs. Viola Dobbs.

### Conducts Revival At His Old Home

JESUP, Ark.—I want to report a meeting that was held here in August by Bro. Fisher Jones and wife. The Lord set His seal on this meeting. Three times Bro. Jones was wonderfully anointed with power from on high to give out the Word in its fullness.

This was his boyhood home and we were surprised to see him give out the Word of God in power, as he did. Bro. and Sister Jones, with their two children were the unfortunate ones that got killed by the train, Oct. 5, near Walnut Ridge, Ark. It was sad to give them up, but we shall meet them some glad day.—Mrs. Delta Raney.

### Marching On, Gaining Ground—43 Members

IRONTON, Ohio.—I am praising God for victory here at Ironton. We can say that we surely have had a fight here with the devil but have come out victorious so far, and are marching on, gaining ground all the time.

This church was set in order the last of August with 8 members and we now have 43. From one to four are getting the Holy Ghost every week. We had a wonderful service Thanksgiving the Lord sure did bless. Pray for us and this place.—James R. Caudill and wife.

### THE STATE OF THE WICKED

By M. S. Lemons

The seed of evil doers,  
Shall never be renowned,  
Their offspring like the leaves,  
Will soon fall to the ground.  
Their names will be forgotten,  
Their place will be no more,  
The besom of destruction,  
Will waft them from the shore.

Their cries will be Eternal,  
"Their worm shall never die,"  
Their face will not be seen,  
With friends up in the sky.  
"God will scorn their image,  
And turn them into hell,"  
Their cries and doleful groans,  
No mortal tongue can tell.

—Isaiah 14:20.

## A WARNING TO PREACHERS

### Go Ye Therefore, and Teach All Nations, Baptizing Them In the Name of the Fa- ther, and of the Son, and of the Holy Ghost

G. W. Morgan

"Whatsoever he saith unto you, do it." John 2:5. We know that God told Jonah to go to Nineveh that great city and cry against it, "for their wickedness is come up before me." But Jonah said in his mind, no, I will not do that, I shall go some other way, but God showed him that he intended for him to go before he should be free.

When God chose His disciples He told them to, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. I am praising God for that promise that He has given us, making it sure that He will not leave us. I have had preachers to tell me that they were afraid to go to Mississippi on account of malaria and other diseases and you know it made me wonder what the disciples said to the Lord when He told them to go ye into all the world and preach the gospel.

Now, do you suppose they said one to another, "no", we won't go on account of mosquito bites and other contagious diseases? Surely not for they knew that God would be with them. I wonder if Jonah thought Nineveh was a country full of diseases when he refused to go. But when God got through with him he was willing to do or go anywhere. I don't think some of our preachers will be swallowed up by a fish but I do know the devil will get some of them if they don't get to obeying God. I have heard some say that common sense will teach you better than to go into a diseased country. Yes, but common sense teaches quite a good deal of things that if done would displease God.

We know that Mary the mother of Jesus said unto the servants, whatsoever he saith unto you, do it. There are some preachers that will inquire of how much tithes does the church pay before they will consent to pastor. God didn't tell Jacob that he would bless him if some one else paid tithes but said He would bless HIM, if he paid tithes.

Now if you fail to get a blessing pay your tithes, and free will offerings then if you fail to get a blessing you have just failed to do God's commandments on some other line. Some preachers on hearing of a church that pays considerable tithes think that the Lord has called them there.

We know that Judas betrayed Christ for thirty pieces of silver.

Preachers take warning.

It has been suggested that each church have a special salesman or representative whose duty it will be to represent the general interest of the Publishing House, in fact, Headquarters in general, which will include the taking of subscriptions and renewals for the Evangel.

Also a selection of colportage selection of valuable books on important themes which will prove a blessing to the church and community.

We have some special inducements to offer. Address, Church of God Publishing House. Every church should adopt a systematic method of raising funds for the payment and maintenance of the Church of God Orphanage and Children's home. This is only to stir up the pure minds by way of remembrance that the general expenses for the maintenance of the home has greatly increased by the enlargement of our quarters and the acceptance of a number of children during the past year.

We have great confidence in Him who said, "suffer the little children to come unto me." We have also got confidence in His church that they will do right toward the homeless and neglected of our land.

The Home Mission work is one of the most sadly neglected departments of the church work. I feel sure that if our people knew the wonderful opportunities that we have of opening up new work in valuable territories that they would take greater interest in this part of the church work. Let every saint earnestly pray that God will supply the means to send the gospel into the many neglected fields, which are calling for help, even here in our own country. The Macedonian call is coming from almost every corner. Shall we be further neglectful along this line, or will all of our ministers be careful to observe the special home mission days? Let us look forward to a new awakening along this line.

We are delighted to hear of the good meetings in various parts of the country. God seems to be specially pouring out His Spirit and numbers of souls are being added to the church.

Let's look forward that the coming year shall be a year of revivals.

The old year has bid us farewell forever. It has gone into the past eternity with all of its heart-aches and disappointments, troubles and sorrows, its hours of bereavements together with joy and rejoicing, its bright and happy days along with its hard fought battles and cruel testings and blessed victories with shouts of triumph, and today, we stand on the summit with outstretched hands bidding welcome to the New Year, 1925, together with the new responsibilities that it brings.

We look forward to the field of battle with new courage, confidently expecting new and greater victories than heretofore enjoyed, along with the new responsibilities we most

## Fire Falling in Texas

DALLAS, Tex.—I am glad to have the privilege of writing and telling of the work of the Church of God that is now going on in Dallas with the Lord of hosts going before. Praise God.

I came to Dallas a month ago, after attending the General Assembly, and I found eight saints here without a shepherd and found them crying and praying for one who would work and suffer with them and feed them. After praying about the matter, we began assembling ourselves together on the night of November 30. Words cannot tell of the joyous blessings the Lord has showered upon each of the meetings. Glory be to God. The Lord is having His way, souls in darkness are seeing the light and God is drawing them to Jesus. There have been tongues, dancing and fiery testimonies and the Lord has given messages with power. Glory to His name.

I see great things ahead for the Church of God in this city of nearly a quarter of a million souls. We are looking for our state and district leaders for an evangelistic campaign in the spring or summer and we are expecting great things of God. Pray for us.

I was born of the Spirit nearly four years ago in my home in Cleburne, Texas, as definite an experience as sanctification and the baptism of the Holy Ghost. For my first time on May 18 of this year, in the Church of God at Thurber, Texas, I heard a testimony in the power of the Holy Ghost. A week later, May 23, I was sanctified. Another week later, June 1, I was baptized with the Holy Ghost. About ten weeks still later the Lord added me to His church at Ranger, Texas. Thanks be to God.

Prior to May 23, 1924, I was a minister in a church that knows not the doctrine of sanctification and baptism of the Holy Ghost. For nearly five years I was a continuously active member of the largest denominational church in Texas, located in Dallas. But I am glad that Jesus met me in the way, and conferring not with flesh and blood, I began immediately to preach the full gospel of the Lamb with a glory hallelujah in my soul. Amen. I thank God for the privilege of preaching four times a week thus far in the Church of God in Dallas. Oh, how I long for others yet astray in the wilderness to find the true fold. Again I say, pray for us. Yours in the Master's footsteps—M. L. Germany.

## THAT PRETTY CARD SHOULD BE PRESERVED

To the Sunday school superintendents and teachers, have you noticed the little booklet titled, "Children's Lesson Stories"?

There have been many requests that we start a little paper for the children.

Now it appears to me that we at least have struck the plan to satisfy the demand, a beautiful little story book illustrated with pictures.

There are many things about this booklet that makes it very important for the schools; first it is not very expensive, only 6 cents a quarter for each booklet, then the stories are good and instructive; then again the pictures are so made that the little child can take crayon colors and color them, this makes it very interesting for the little folks, then again, they can paste their colored picture cards in this booklet, in this way they can save their pretty cards, otherwise would doubtless be destroyed.

I find that the grown-up children like to read these little books also.

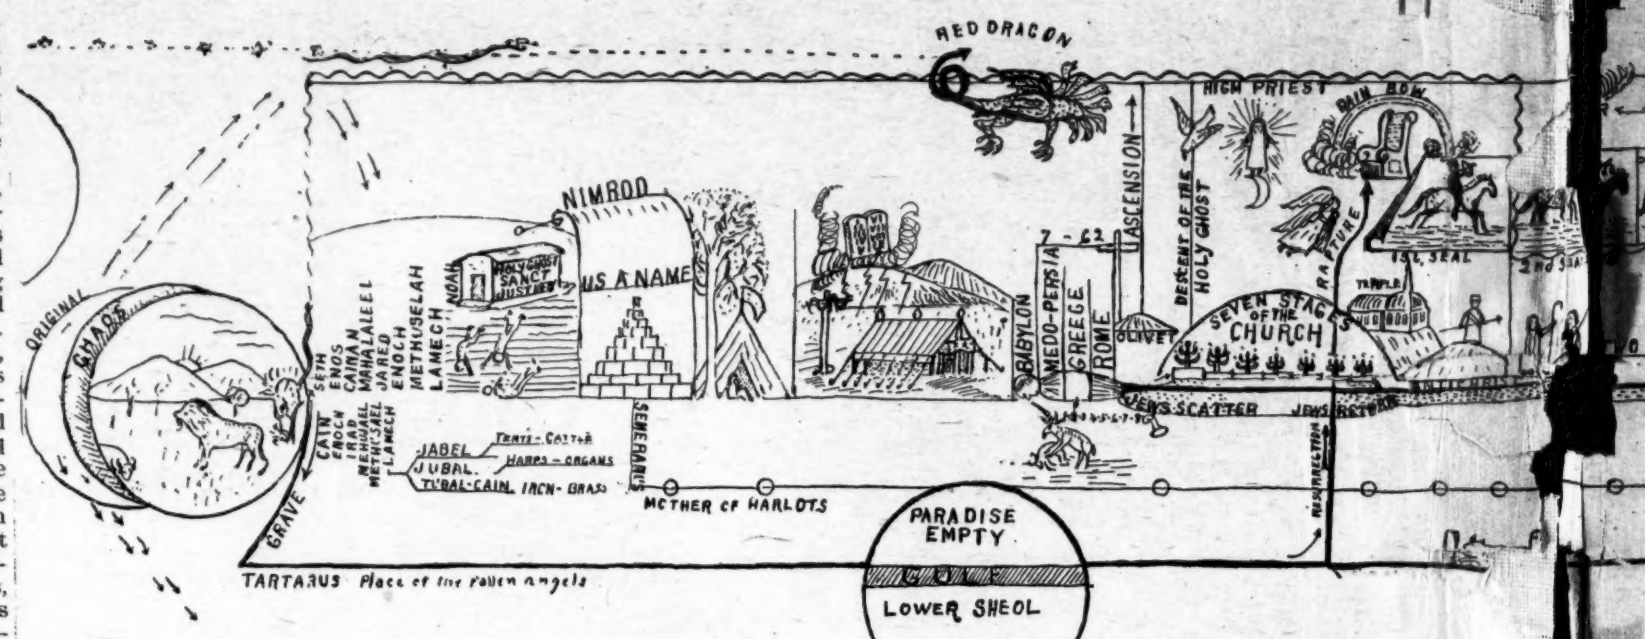

Suppose that every superintendent try a supply of these little booklets, they are especially good this coming quarter.

F. J. LEE.

humbly bow to Him with whom we all have to do, and earnestly pray that He may give us a new and fresh anointing, new and added grace to face the conditions that the new year shall bring.

With this, permit us to express to you our best wishes for a prosperous year.

## Discourse Delivered by F. J. Lee Thursday Eve

## NOTICES

I write this to let you know my new address which is Brentwood, Ga.—J. A. Hipps.

There are several applications for ministerial recognition, at this office, but on account of the rush in renewing the old credentials, the examination, preparing for new license has been unavoidably neglected.

I want to request that all applicants to the ministry be patient a few more days, your application will be taken up very soon. F. J. LEE.

I am expecting to devote all of my time to the evangelistic work after I hear from the ones I promised to hold revivals for.

Please write me at once if I promised to hold a revival for you, that I may know just where to begin. You can get me by writing to the Publishing House, Cleveland, Tenn.—L. G. Rouse, Barnabus, W. Va.

To the Church of God in West Virginia:

I am now located at Milton, West Virginia and anyone wishing to write me can address me there.

I hope to have the hearty co-operation of every minister and member of the church in that state. Let's do our best to make this the best year for the church in West Virginia. I want everyone to feel free to write me about any matters of interest to the church and I will do my best to help in every way possible. If you want a revival write me and I will do my best to help in every way possible.

I insist that all ministers and treasurers be prompt in making their reports, for the Lord does not want us to be slothful in business but fervent in every department of His work. So let's all work together and do our best and see how the Lord will bless.

With love and best wishes to all.—H. N. Scoggins, state overseer.

Thinking that perhaps many of the dear friends whom we have learned to know and love, as we have been traveling over the great battlefield in search of precious souls for Jesus, would like to know of our whereabouts, I decided to send a little notice through the Glad Gospel Carrier (Evangel) that always seems so delighted to carry any words of comfort and cheer that may be assigned to its columns.

Well dear ones in answer to the call of Him who said to go ye into all the world and preach His gospel, we have come here to Key West, Fla., and I wish to say that we have found here a beautiful land of sunshine and flowers; the most beautiful I ever saw also some of the best people I ever found.

We are nicely settled in our little home joined to the church, with a little band of sky blue, blood red, snow white saints, to preach to and labor with, in the great struggle for souls.

Now dear saints remember that old Bro. and Sister Carpenter are away out here, about 150 miles from the main land and would be glad to get a long letter from some of you, at any time.

Yours in the love of Jesus—A. A. Carpenter, 713 Francis St., Key West, Fla.

To all the Churches and Pastors of North Carolina:

As I don't know all of your addresses, will ask that you write to me and let me know how you are getting along and just what the churches need and I will do all I can by the help of our Lord. Let's all unite ourselves together as an army because where there is unity there is power, and power is what we need to withstand the devil and you know when an army is well drilled and all firing together they give the enemy trouble and gain ground, but when they are scattered, the enemy will give them trouble; so let's encourage every saint of God to do all they can to help gather in the grain. Let's show a tender loving spirit to everyone, even to our enemies, but be as firm as steel. Let's put everyone in the churches at work for the Lord in some way. Let's consider a hive of bees, they want everything in the

hive to do his part and they tell me if some do not work they will catch him and drag him out of the hive to perish, so let's not get our spiritual wings cut off but we want them on so when Jesus comes we can fly away to be at home with Jesus.

"Slothfulness casteth into a deep sleep; and an idle soul shall suffer hunger." Prov. 19:15.

Let's be up and about our Father's business, let's try our best to keep a pure clean flock so we will be ready to go up when Jesus comes for that is the only kind that will go up, it makes no difference how many names or numbers we have but it is the pure in heart and life, so let's spread out and persuade men to come into the fold. May the God of our salvation ever bless you all is our prayer. Lovingly yours, E. C. Gault, Box 523, Kannapolis, N. C.

## NOTICE TO THE MINISTERS

Several ministers have written to this office asking about where they should pay their tithes, they didn't seem to understand the notice run in a recent issue of the Evangel. The notice was just a reproduction of an article found in June 5th issue of the Evangel in 1920. We find in this, that the local churches are to send one-tenth of the tithes paid into the local treasuries to headquarters.

The next item of that notice is that all ministers receiving offerings should send one-tenth of the amount received each month to headquarters, this to be sent in when you make your monthly report.

I think this is very plain, no one should fail to understand this.

This is an act of the Assembly of past years which has never been repealed.

Please do not forget to at once send your old credentials for renewal.

F. J. LEE.

## Walk Softly Before the Lord

RED BAY, Ala.—I want to praise God for His wonderful love He has shed abroad in my heart by the Holy Ghost. As I sit and wonder what the Lord will have me do as I am not permitted to go to a place of worship, seems as if I can hear a wee voice speaking to me, saying, write for these are true sayings, that Jesus came to seek and to save that which was lost. Luke 19:10. Praise be to our God for His precious Word, which gives us courage when the enemy tries to deceive us. I want the prayers of all of God's children that I will walk softly before the Lord all the days of my life; that my home will be as the house of Cornelius; that we all may believe on the Lord. Grace, peace and love be with all the readers of the Evangel.—Sula Conwill.

## IN MEMORY OF

"Blessed are the dead which die in the Lord."

## McVEIGH

On Oct. 28, the death angel visited the home of Mrs. J. L. McVeigh and took for its victim her loving husband. He was a faithful father and a good husband, and his house was a home for the orphan children. He was saved and sanctified. We sorrow not as those who have no hope, for he is now at rest with Him above and some glad morning will welcome us to that eternal home of peace and love.—His niece, Mrs. Sarah Drawdy, Argyle, Fla.

## JOHNSON

On the morning of Nov. 6, 1924, the death angel visited the home of Sister Jessie Johnson and claimed her loving husband, Bennie.

Bennie was only 31 years of age; was soldier in the World's war, and was gassed which developed into tuberculosis. All that loving hands could do, was done but God said, "It is enough." A short time after he was taken sick the Lord warned him to set his house in order that he was going to die. He called for Bro. L. J. Allen to pray for him, he was sanctified and was carried into the water and baptized by Bro. Allen. He was often heard praying after this, that if it was the Lord's will to heal him that he would go and tell the world of what Jesus can do for poor humanity. His body was laid to rest in the McCord cemetery to await the coming of the Lord.

The bereaved have our sympathy.—Written by a friend, Olaton, Ky.

## DAVIS

On Nov. 19, the death angel visited the home of Mr. Worn Davis and claimed his wife and also the infant baby. She was 20 years of age. She left to mourn her death, a husband, one child and a host of relatives and friends.

She was loved by all who knew her but God knew best and amid all the prayers that was sent up for her, she was taken to rest.

She was saved and believed in holiness. We miss her but we are expecting to meet her in heaven where there will be no sad farewells.

We miss the voice of one we love, A precious form has passed away; To join the angel throng above In realms of endless day.—A sister that loved her—Pearl.

## SALVATION FROM SIN

DAISY, Tenn.—I want to praise God tonight for what He is to me and for a real salvation that can keep me above sin and can take the desire for all worldly things away from me. I want to praise God for His healing power. This morning I was sick, sister and I came to the Lord in prayer and He healed my body. Oh, how I felt God's power. It is not just when I am at meeting that I get best, it is at home as well as at church. I have a salvation I know about and willing for anyone to watch my daily life.

There was a time when I didn't trust the Lord for my healing, and one night our pastor preached on trusting the Lord for healing and many other things that God sent deep into my heart. I promised God then I would trust Him for myself and my little girl. If we have not got enough faith to trust God for the healing of our bodies and for His keeping power, where is our faith. I have asked God to increase my faith and He has answered my prayers, and by His help I mean to trust Him.

Pray for me and my family, my husband is a backslider, so I desire your prayers that I will be just what God will have me be.—Mrs. Mattie Gothard.

## Sent Handkerchief to be Anointed.

ATLANTA, Ga.—I want to sound a note of praise to God through the little Evangel for what He has done for me, I was suffering of indigestion and could not eat anything except sweet milk and loaf bread and was so weak I could hardly sit up at times, but I sent a handkerchief to Cleveland, Tenn., to be prayed over and anointed and before it reached me I was completely healed. I knew when they prayed for me and I felt the disease leave me.

I am now well and can eat anything I want. I am giving God all the praise for it, although I am suffering with a severe pain in my left side and a swimming in my head. Please pray that I may be completely healed that I may be able to wait on my family as I should.—Lizzie Alexander.

## Thankful for the Bible Church.

LADONIA, Tex.—I want to sound a note of praise tonight for my blessed Redeemer, through the Evangel. The Lord saved me two years ago, and afterwards sanctified and filled me with the Holy Ghost. I'm thankful too for the Bible church. The Lord said He would go away but would not leave us comfortless; this promise with all others are being fulfilled. Praise His name.

I know He will supply our needs for His grace is sufficient.

I have been healed many times by this divine healer of whom we speak so much as our Physician. Shortly after my father and mother received the Holy Ghost I was healed of chills and fever.

I am the only young man at this place who has the blessing of the Holy Ghost but I feel encouraged to press the battle, for the Word says, "If we are faithful over a few things He will make us ruler over many things." We have a good Sunday school here, and some good people that need more of God's blessings. Pray for us.—Fred O'Neal.

## The Evangel Has Been Dear To Me.

SOMERSET, Ky.—I do praise and adore the great name of God for salvation, which has reached even me. Words cannot express the wonderful and peaceful joy of the soul, really born, cleansed and filled with the blessed Spirit of God and abiding in the light of the Church of God. I have rest and confidence in the Church of God. Amidst so much confusion of doctrines and names, we know it is the will of God, for all to be one. All movements of the Spirit of God are surely marching toward that great oneness and name, the Church of God!

I am so glad to live in this day of the light of the full gospel, and enjoy the rich blessings of His power and Spirit. I

praise God that He has ever been with me all along the way, since from childhood when I sought Him for my Saviour. No test has been so hard but what He made a way for my escape. No cloud so dark but that it was driven away. I am so glad of this blessed life we find in God, praise His name. The Evangel has been dear to me and is good for my soul.—Mrs. Ella Jackson.

## A SOUL WINNER FOR JESUS

PELHAM, Ga.—I want to praise the Lord for full and free salvation. I am saved, sanctified and filled with the Holy Ghost, and am thankful to be added to the dear old Church of God, the one that He said the gates of hell shall never prevail against.

I am the mother of four children and ask an interest in your prayers that I may raise them in the way that I should, I want faith to be able to trust the Lord with them and ever be able to say, "thy will be done not mine." Pray for me that I may be a soul winner.—Mrs. T. W. Godwin.

## The Battle Is Almost Over

DAYLIGHT, Tenn.—As I have not written to you in a long time, shall here add my testimony again. I praise the Lord for victory in my soul, praise the dear Lord. After we have fought the hard battles, borne all the struggles, heartaches and troubles, here in this life; when we shall have changed from mortality to immortality, and on seeing the reward we shall receive, surely we will feel like heaven is cheap, only to give our life to obtain it. Paul said, I suppose the sufferings of this present world are not worthy to be compared to the glory that shall be revealed. Glory, I feel like rushing to the battle front with the words enshrined upon my banner, "Victory at any cost." Come on, the battle is almost over and surely victory is ours.—Richard Turner.
